## **TERMS OF BENEFIT PAYMENTS**

We will pay the benefits specified in the DESCRIPTION OF BENEFITS section to all Insureds who suffer a loss within the Scope of Coverage due to Injury.

### **FULL EXCESS MEDICAL EXPENSE (TBFE004)**

We will pay the Medical Expenses an Insured incurs for covered services that exceed amounts payable by any Other Insurance Plan, subject to the Deductible, Benefit Percentage, and Benefit Period shown in the Schedule. We will determine the amount of benefits provided by any Other Insurance Plan without reference to any coordination of benefits, non-duplication of benefits or similar provisions. The amount of benefits provided by an Other Insurance Plan includes any amount to which the Insured is entitled whether or not a claim is made for the benefits. This Policy is secondary to all Other Insurance Plans.

The first Medical Expense must be incurred within the Loss Period stated in the Schedule.

The Maximum Benefit Amount payable and sub-limits under this policy are shown in the Schedule.

### **NON-DUPLICATION OF BENEFITS**

This provision applies if an Insured:

- is covered by any Other Insurance Plan; and
- would, as a result, receive total medical expense or service benefits that would exceed the expenses actually incurred.

In this case, the Medical Expense for Accident Benefit payable under this policy will be reduced by the excess amount of benefits. The total amount of benefits payable will never exceed 100% of the Medical Expenses or service benefits.

## CLAIM PROVISIONS

### NOTICE OF CLAIM

We must receive written notice within 60 days after a loss occurs or begins, or as soon as reasonably possible. Notice can be given at Our home office or to Our authorized representative. Notice should include:

- the Policyholder's name;
- the policy number; and
- the Insured's name and address.

### CLAIM FORMS

When We receive the notice of the claim, We will send forms for filing proof of loss within 15 days. If We do not send the necessary forms within 15 days, written information may be given that includes the nature, date, cause, and extent of the loss for which claim is made.

### PROOF OF LOSS

We must be given written proof of loss at Our home office or to Our authorized representative within 90 days after the date of the loss. If the written proof is not given within 90 days, the claim will not be invalidated or reduced if:

- it was not reasonably possible to give proof within 90 days; and
- proof is given as soon as reasonably possible, but not later than one year from the date it is otherwise required, except in the absence of legal capacity.

If the claim is for a continuing loss for which this policy provides periodic payments, written proof that the loss continues must be given to Us or to Our authorized representative at the intervals We require.

### Physical Examination and Autopsy

We have the right to have an Insured examined at Our cost and as often as reasonably necessary while the claim is pending. We may require an autopsy at Our expense unless prohibited by law.

### PAYMENT OF CLAIMS

Benefits will be paid after We receive acceptable proof of loss and confirm benefits are payable.

We will pay benefits other than for loss of life to the Insured, unless otherwise stated in this policy.

We will pay benefits for loss of life and any benefits payable to the Insured but unpaid at the Insured's death to the Insured's named beneficiary for this policy. This choice must be in writing and filed with Us, or filed with the Policyholder if We have agreed in advance.

The Insured has the right to change the beneficiary. Unless this right has been given up, the Insured does not need the consent of the beneficiary to make a change.

If the Insured has not named a beneficiary or no beneficiary survives the Insured, We will pay benefits at the Insured's death as follows:

- to the Insured's surviving Spouse; if none, then
- in equal shares to the Insured's surviving children; if none, then
- in equal shares to the Insured's surviving parents; if none, then
- in equal shares to the Insured's surviving brothers and sisters; if none, then
- to the Insured's estate.

If benefits are payable to a person who is not legally competent to claim or release benefits, a minor, or an estate, We may pay up to \$1,000 to any relative by blood or marriage whom We find entitled to the payment. This good faith payment satisfies Our legal duty to the extent of the payment.

### **Assignment of Benefits**

The Insured may direct that We pay benefits to a Hospital, Physician or other provider who furnished care, diagnosis, advice or supplies. We are not liable for any actions We take before We receive notice of the assignment. We are not responsible for the validity of any assignment of benefits.

### **OPPORTUNITY TO REQUEST AN APPEAL**

The claimant may request an appeal, in writing, within 60 days after receiving notice of Our initial claim review decision.

The request for an appeal should include:

- the Policyholder's name and the Policy number or group number;
- the Insured's name and mailing address;
- the name and mailing address of the claimant filing the appeal, if different from the Insured;
- the nature of the appeal; and
- any additional information that may have been omitted from Our review or that We should consider.

By requesting an appeal, the claimant has authorized Us, or anyone We designate, to review any and all records (including, but not limited to, medical records) which We determine may be relevant to the appeal. We will review all information submitted and make Our final determination. No additional appeals are available.

Applicable state laws may contain requirements for claims review and appeal procedures. To the extent that this provision is inconsistent with any state law requirement, the requirement that is most favorable to the claimant will apply.

## **PREMIUM PROVISIONS**

### **REPORTING REQUIREMENTS**

The Policyholder or its authorized agent must report to Us any additional information required, as We and the Policyholder agree. We must receive this report before the premium due date.

### **GRACE PERIOD**

There is a 31-day grace period for payment of each premium due after the first premium. This means that, except for the initial premium, if premium is not paid on or before the date it is due, the premium must be paid in the 31-day period that follows. We will consider premium to be paid on the date We receive it.

Insurance will stay in force during the grace period unless the Policyholder has notified Us of its intention to terminate this policy.

If We have not been notified otherwise and the premium has not been paid, this policy will end when the grace period ends.

### **CHANGES IN RATES**

We have the right to change the premium rates:

- at any time there is a change in the coverage provided or classes eligible;
- at any time there is a change in the risks We have assumed; or
- after the first 12 months insurance is in effect.

New rates based on coverage or eligibility changes will take effect on the effective date of those changes. Otherwise, we will give 31 days written notice when we change the rates. Notice will be sent to the Policyholder's most recent address in Our records.

### **REINSTATEMENT AFTER TERMINATION**

If this policy terminates for any reason, the Policyholder may request to reinstate it. We will reinstate only if:

- an authorized representative in Our home office agrees in writing to reinstate this policy;
- the Policyholder agrees in writing to accept any written conditions of reinstatement that We impose;
- all past due premiums are paid, including any premium for the time insurance was in effect during the grace period; and
- the premium due from the date of reinstatement until the next premium due date is paid.

## **GENERAL PROVISIONS**

### **INSURANCE CONTRACT**

The insurance contract consists of:

- this policy;
- the attached Schedule; and
- any riders or endorsements.

The insurance contract may be changed (including reducing or terminating benefits or increasing premium costs) any time We and the Policyholder both agree to a change, unless required by law. No one else has the authority to change the insurance contract. A change in the insurance contract must be:

- in writing;
- made a part of this policy; and
- signed by Our authorized representative in Our home office.

### **WORKERS COMPENSATION INSURANCE**

This policy does not satisfy any requirement for coverage under any workers compensation law.

### **POLICYHOLDER RECORDS**

The Policyholder or its authorized administrator will maintain records of the essential features of each Insured's insurance under this policy.

We have the right to examine the Policyholder's records relating to coverage under this policy. Examination may occur at any reasonable time up to the later of:

- two years after this policy ends; or
- the date of final adjustment and settlement of all claims under this policy.

### **REIMBURSEMENT/SUBROGATION**

#### **Applicability**

If there is a conflict between the provisions of the Reimbursement/Subrogation section of the policy and the provisions of any Other Insurance Plan, the provisions that provide the greatest rights to Us and this policy govern.

#### **Obligations of Insured**

Relating to benefits covered by this policy, an Insured must:

- immediately notify Us of any potential causes of action or claims for a recovery that the Insured may have against a third party;
- notify Us of any agreement with a third party;
- provide Us with a copy of any summons, complaint, or other process served in any lawsuit in which the Insured seeks a recovery;

- provide Us with a copy of any agreement with a third party;
- immediately notify Us of any settlement offer regarding a potential recovery or any payment made pursuant to an agreement;
- obtain written consent from Us before entering into any agreement with a third party involving a potential recovery;
- cooperate and assist Us in enforcing Our subrogation and reimbursement rights;
- provide any information as may be requested by Us related to Our subrogation and reimbursement rights;
- assist Us in any action against any third party; and
- upon Our request, execute a subrogation agreement, assignment of recoveries, and/or reimbursement agreement in Our favor.

If a third party pays the Insured directly based on an agreement, the Insured must reimburse Us the amount of any payments We previously made to the Insured (or for which We may have future responsibility) with respect to Injury covered by this policy. The Insured must hold any recovery or payment (including amounts paid for future medical expenses) and any right of recovery against the third party in trust for Us.

An Insured may not take any action to prejudice Our rights under the policy.

### **Our Rights**

We may:

- take action against any party (including, but not limited to, an attorney or trust) in possession of property or funds awarded or paid as a result of the Insured's Injury if such property or funds should be or should have been paid to Us under this Reimbursement/Subrogation section;
- seek a temporary restraining order against any party to prevent disbursement of any property or funds to which We have a right;
- seek restitution in equity (through the imposition of a constructive trust for Our benefit) from any party for the full amount of benefits paid by Us or for which We may have future responsibility;
- invoke equitable remedies as may be necessary to enforce the terms of the policy, including, but not limited to, specific performance, restitution and the imposition of an equitable lien and/or constructive trust, as well as injunctive relief;
- refuse to pay benefits to an Insured if the Insured fails to comply with this Reimbursement/Subrogation section, fails to cooperate with Us in regard to Our subrogation and reimbursement rights, or refuses to execute and deliver any papers that We may require in furtherance of Our subrogation and reimbursement rights;
- if the Insured fails to reimburse Us as provided in this Subrogation/Reimbursement section, offset any future benefits otherwise payable to or on behalf of the Insured, until the amount required to be reimbursed under the policy is fully offset;
- if the Insured receives a third party payment relating to expenses or benefits paid or payable by the policy, suspend all further benefit payments related to the Insured until the reimbursable portion is returned to Us or offset against amounts that would otherwise be paid to or on behalf of the Insured; and
- if an Insured fails or refuses to comply with this Reimbursement/Subrogation section, terminate the Insured's coverage.

We legally succeed the Insured's right of recovery against a third party up to the amount of benefits We have paid (or for which We may have future responsibility) with respect to the Insured's Injury. We have first priority on any money recovered from the third party, including, but not limited to, any amounts paid for medical costs over the uninsured or underinsured motorist's coverage, medical malpractice or any liability plan. Our contractual right to reimbursement is in addition to and separate from equitable subrogation. Our contractual right of reimbursement may be enforced under the same terms as discussed in this Reimbursement/Subrogation section.

If the Insured is a minor, We have no obligation to pay benefits related to Injury or sickness caused by a third party until after the Insured's legal representative obtains valid court recognition and approval of Our 100%, first-dollar subrogation and reimbursement rights on all recoveries, as well as approval for the execution of any papers necessary for the enforcement of these rights.

If We file suit to enforce Our right to recover from the Insured, We reserve the right to be reimbursed for Our court costs and attorneys' fees in relation to the suit.

### **Priority; Other Legal Doctrines**

If a third party makes any payment to the Insured, the Insured's attorney, or a trust for the Insured's benefit, the payment must first be used to provide equitable restitution to Us, to the full extent of expenses or benefits paid by or payable under the policy. Our priority applies despite other legal doctrines or theories. Our rights of subrogation and reimbursement under this Reimbursement/Subrogation section are not affected, reduced, or eliminated by the make-whole doctrine, the common fund doctrine, the doctrine of comparative fault theory, or any other legal doctrine or theory. We expressly reject the common fund doctrine with regard to attorneys' fees. Our rights are not affected, reduced, or eliminated by any allocation that purports to allocate recovery amounts in whole or in part to nonmedical damages.

### **POLICY TERMINATION**

We may terminate this policy at any time. We will give at least 31 days notice before termination.

The Policyholder may terminate this policy at any time. If the Policyholder fails to pay premiums when due or within the grace period, We will consider notice to have been given to terminate this policy on the date premium was due.

Policy termination will not affect a claim for a loss due to an Accident that occurred while this policy was in effect.

### **CONFORMITY WITH STATE STATUTES**

Any provision of this policy in conflict with the laws of the state where it is issued on the Policy Effective Date is amended to conform to the minimum requirements of such laws.

### **LEGAL ACTIONS**

No legal action to recover under this policy can be brought for at least 60 days after We have been given written proof of loss. No legal action can be brought after three years from the time written proof of loss is required to be given to Us.

### **CERTIFICATES OF INSURANCE**

We will deliver a certificate of insurance to the Policyholder for delivery to the Insured, in those states in which it is required. Each certificate will list the benefits, conditions, and limits of this policy

## DEFINITIONS

The following capitalized terms have the meaning assigned to them in this section. The assigned definitions apply to both the singular and plural forms of the defined term.

In the event of an unusually complex medical procedure, a Medical Expense for a new procedure or a Medical Expense that otherwise does not have a relative value that is in Our determination applicable, We will assign a relative value. The Medical Expenses We pay may not reflect the actual charges of a provider and does not take into account the provider's training, experience or category of licensure. A provider may charge the Insured the difference between what the provider charges and the amount We pay under the policy. The Database will be updated by us as information becomes available from the supplier, up to twice each year. We may modify the Database in Our discretion to reflect Our experience. We have the right, in Our discretion, to substitute or replace the Database with another database or databases of comparable purpose, with or without notice.

LIMITATIONS AND EXCLUSIONS UNDER THE  
ARKANSAS LIFE AND HEALTH INSURANCE  
GUARANTY ASSOCIATION ACT

Residents of this state who purchase life insurance, annuities or health and accident insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association"). The purpose of the Guaranty Association is to assure that policy and contract owners will be protected, within certain limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of policy owners who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by the member insurers through the Guaranty Association is not unlimited, however. As noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well managed and financially stable.

**DISCLAIMER**

The Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association") may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in this state. You should not rely on coverage by the Guaranty Association in selecting an insurance company or in selecting an insurance policy or contract.

Coverage is **NOT** provided for your policy or contract or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract.

Insurance companies or their agents are required by law to provide you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net is called the Arkansas Life and Health Insurance Guaranty Association Act ("Act"). On the following page is a brief summary of this Act's coverages, exclusions and limits. This summary does not cover all provisions of the Act; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Guaranty Association.

(Continued on Following Page)

## COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life, annuity or health insurance contract or policy, or if they are insured under a group insurance contract issued by a member insurer. The beneficiaries, payees or assignees of policy or contract owners are protected as well, even if they live in another state.

## EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by this Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized or licensed to do business in this state;
- Their policy or contract was issued by a nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy or contract owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does **not** provide coverage for:

- Any policy or contract or portion thereof which is not guaranteed by the insurer or for which the owner has assumed the risk; such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract.
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends and voting rights and experience rating credits;
- Credits given in connection with the administration of a policy by a group contract holder;
- Employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contractholders, not individuals);
- Unallocated annuity contracts issued to/in connection with benefit plans protected under Federal Pension Benefit Corporation ("FPBC") (whether the FPBC is yet liable or not);
- Portions of an unallocated annuity contract not owned by a benefit plan or a government lottery (unless the owner is a resident) or issued to a collective investment trust or similar pooled fund offered by a bank or other financial institution);
- Portions of a policy or contract to the extent assessments required by law for the Guaranty Association are preempted by State or Federal law;
- Obligations that do not arise under the policy or contract including claims based on marketing materials or side letters, riders, or other documents which do not meet filing requirements, or claims for policy misrepresentations, or extra-contractual or penalty claims;
- Contractual agreements establishing the member insurers obligations to provide book value accounting guarantees for defined contribution benefit plan participants (by reference to a portfolio of assets owned by a non-affiliate benefit plan or its trustees).

## LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to cover: The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Guaranty Association will pay a maximum of \$300,000 in life and annuity benefits and \$500,000 in health insurance benefits - no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within these overall limits, the Association will not pay more than \$300,000 in disability and long term care benefits, \$500,000 in health insurance benefits, \$300,000 in present value of annuity benefits, or \$300,000 in life insurance death benefits or net cash surrender values - again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages. There is a \$1,000,000 limit with respect to any contract holder for unallocated annuity benefits, irrespective of the number of contracts held by the contract holder. These are limitations for which the Guaranty Association is obligated before taking into account either its subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer.
