- I am still looking for one more meet. So know that we could add another meet in the future.
- All Bryant meets will start with Diving at 4pm. Swimmers will have warm-ups after diving. The estimated swim portion of the meet start time is 5:30pm. (This is only an estimation....the actual start time depends on the number of divers.)
- Swimmers are expected to stay until the end of all home meets and help with clean up.
- Students are expected to ride the bus to all away meets. Students may check in with a coach and sign out and go home with parents at away meets when they have completed all races.
