OUR VISION

The faculty and staff at Salem Elementary will strive to meet high expectations by believing and investing in the lives of our students, families, and communities through positive impact.

ACADEMICS

Classrooms offer differentiated instruction for all levels. Students at Salem Elementary know they are loved and appreciated for their unique gifts and talents. It is from that place students are able to perform and gain benefits from the school's challenging curriculum. Monthly PAW Pride attendance awards motivate students by recognizing them for behavior, responsibility, and citizenship traits.

COMMUNITY INVOLVEMENT

Opportunities include Jump Rope For Heart; Holiday Food Drive; Peanut Butter Drive; Socktober Sock Drive; SWAT Team Community Service; AGFC Fishing Derby; Fall Carnival and Family Nights.

COMMUNITY PARTNERS

Salem Fire Department: Community Pancake Breakfast and programs on campus; Boy Scouts; Salem Wall of Heroes and Veteran's Day Ceremony; Saline County Master Gardener's Association; Saline County VFW; Summit Church; Midtown Church, Lowe's; and AGFC.

ACTIVITIES/PROGRAMS

Students can participate in Destination Imagination, Quiz Bowl, Chess Team, and Boy Scouts. Leadership programs include Student Council, SWAT (Students Who Assist Teachers), Student Ambassadors Program, Flag Crew, and Recycling Team.

Athletic activities include Archery Team (Arkansas Game and Fish Archery in the School) and Girls on the Run.

AWARDS

Salem ranked in the top 6-10% for academic growth in the Arkansas School Recognition Program, 2017-18.

SALEM NEWS CREW

The Salem News Crew is a student led broadcast journalism team of fifth grade students. Each week the team plans, writes, films, and edits the news. Students brainstorm ideas and research stories to highlight upcoming events at Salem and in Bryant Public Schools, as well as current events happening in the world.

FACULTY AND STAFF MEMBERS ARE TRAINED IN THE PROCESSES OF **CAPTURING KIDS' HEARTS**, A FRAMEWORK FOR IMPLEMENTING BRYANT'S SOCIAL AND EMOTIONAL LEARNING PROGRAM.
