

WELCOME

to Bryant Public Schools!

Bryant School Zones 2018-19

The Bryant School District has eight elementary schools (PreK-5th grade) and is divided into attendance zones. Registration for each school is dependent upon the resident's home address.

The Pre-K program is housed at Bryant Elementary.

Students entering middle school (6-8th grades) are also zoned by home address. Those living north of Interstate 30 attend Bethel Middle School. Those living south of Interstate 30 attend Bryant Middle School.

Students in grades 9-12 attend Bryant High School.

The district website, bryantschools.org, features a SCHOOL SEARCH tool allowing users to enter an address to determine the Bryant School zone for the residence.

Registration

Forms are available at bryantschools.org/parents/school-registration. Forms may be downloaded and filled out in advance, but the completed forms must be submitted in person to the zoned school and cannot be submitted online.

Certain forms may not be submitted without the required documentation needed for initial student registration.

Please bring the following required information when registering students:

- Copy of birth certificate
- Copy of social security card
- Shot record
- Proof of enrollment at previous school (withdrawal paper or final report card)

Parents/guardians must also bring Proof of Residency which must include **Personal Property Assessment** and one of the following:

- utility bill
- rent receipt with current date
- lease agreement with current date
- dated contract for the purchase of a home
- dated contract for closing on construction of a new home

Students should register at their zoned school.

Registration locations and hours may vary in the summer. Visit bryantschools.org for details.
